

Dear "Nominee";

In order to become fully eligible to be considered for appointment to the ICANN Board of Directors by the Address Supporting Organization you must sign a certification that attests to your character. Please read and sign the below statement and return it to us signed either by scanning and then email, fax, or via postal mail.

If you do not sign the statement, you may be ineligible to be appointed to the ICANN Board of Directors by the ASO.

Best regards,

Einar Bohlin
For the ASO Secretariat on behalf of the ASO AC

By signing this attestation, you certify that you are of good moral character, that you have never been convicted of a criminal act in any country and that you have never been convicted of any criminal act that is considered contrary to community standards of justice, honesty or good morals or calls your ability to serve as an ICANN Director into question. Please disclose any convictions on a separate page that includes your signature and the date that it was signed.

Signature: _____
