## **0. Welcome**

KB welcomed everyone and started the meeting at 12:03 UTC.

GV performed roll call and declared quorum.

## **1. Agenda Review**

KV explained that this was called as a special meeting of the ASO AC so the attendance was now in the public record and noted that the only item on the agenda for this meeting was the ICANN Board Seat 9 appointment.

No topics were added and the agenda was approved as written.

At this point, KB confirmed that there were no observers on the call and invited the remaining members of the ASO AC to continue the discussion of the election for Seat 9 in closed session.

## **2. ICANN Board Election (CLOSED SESSION)**

Closed session.

## **3. Adjourn**

There being nothing further to discuss, the meeting was adjourned at 13:03 UTC.
