**0. Welcome**

KB welcomed everyone and started the meeting at 12:07 UTC.

GV performed roll call. With 13 AC members present on the call and all regions represented, quorum was declared.

### **1. Agenda Review**

KV explained that this was called as a special meeting of the ASO AC so that the attendance would be in the public record. He noted that the only item on the agenda for this meeting was the ICANN Board Seat 9 appointment.

No topics were added, which was approved as written.

At this point, KB confirmed that there were no observers on the call and invited the remaining members of the ASO AC to continue the discussion of the election for Seat 9 in closed session.

### **2. ICANN Board Election (CLOSED SESSION)**

Closed session.

### **3. Adjourn**

There being nothing further to discuss, MH presented a motion to adjourn. EL seconded the motion. No objections were heard, and the meeting ended at 11:40 UTC
