ASO Activities: Global Policy Development Process

ASO MEMORANDUM OF UNDERSTANDING reads:

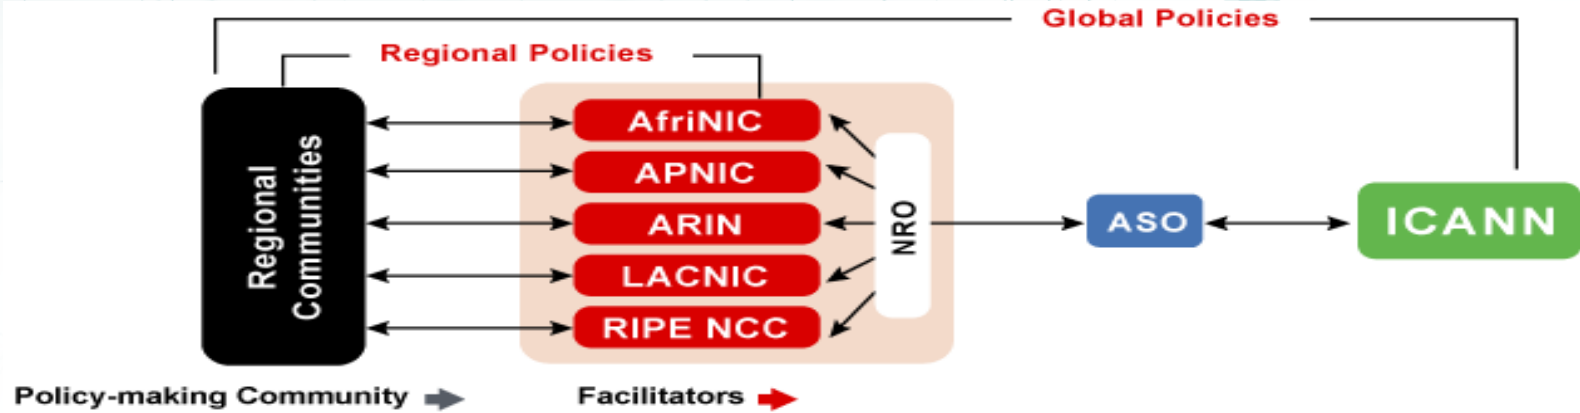

5. Global Policy Development Process

Global policies are defined within the scope of this agreement as Internet number resource policies that have the agreement of all RIRs according to their policy development processes and ICANN, and require specific actions or outcomes on the part of IANA or any other external ICANN-related body in order to be implemented.

Address Supporting Organization

- Each region has its own policy development process
 - All open, transparent, and bottom-up
- Global policy proposals are submitted in all 5 regions
- Each region follows its own process
- It then gets passed to the NRO for review
- NRO passes it to ASO AC, ASO AC reviews whether processes are followed
- ASO AC requests ICANN board put it to implementation
