ICP-2 Review background

In October 2023, the NRO EC sought the ASO AC's assistance with two tasks that should help strengthen the RIR system.

- Review draft ICP-2 Implementation Procedures.
- Strengthening ICP-2.

The ASO AC is conducting an **open** and **transparent** process to review ICP-2 that allows participation from across the global Internet community.

Next steps

- **Review and Analysis of the Feedback**
 - The ASO AC will discuss the feedback from the ICANN Public Comment proceeding and the questionnaire of RIR communities
 - This input will be used to shape the draft version of the updated ICP-2 document
- **Drafting the Document**
 - ASO AC will develop a draft of the revised ICP-2
 - The RIR communities and ICANN constituencies will be invited to provide input on this draft
